CNO  
ZEM  
TOP SECRET TTTT RUFF [REDACTED] 25X1  
CITE CIA/IAS 9010.

SIX SA-5 LAUNCH POSITIONS HAVE BEEN CONSTRUCTED ON THE PERIMETER ROAD OF GORKIY SA-2 SITE B18 (56-02-56N 43-58-19E). A SINGLE TRACKING/GUIDANCE RADAR POSITION HAS BEEN CONSTRUCTED ABOUT 2,500 FEET FROM THE SITE AND IS OCCUPIED. AN ADDITIONAL ELEVATED HARDSTAND IS LOCATED NEAR THIS POSITION AND AN UNIDENTIFIED PROBABLE RADAR IS PARKED THERE. DESPITE THE PRESENCE OF SA-5 ACTIVITY, THE SA-2 LAUNCH POSITIONS AND GUIDANCE AREA STILL APPEAR TO BE OCCUPIED.

THE MODIFICATIONS TO THIS SA-2 SITE ARE OBSERVED ON PHOTOGRAPHY OF DECEMBER 1969 AND ARE NOT PRESENT IN MAY 1969. THE SITE IS LOCATED ABOUT 15 NAUTICAL MILES SOUTH OF GORKIY AND 41 NAUTICAL MILES SOUTH-SOUTHEAST OF THE GORKIY SA-5 COMPLEX. THAT COMPLEX IS UNOCCUPIED ON MOST RECENT PHOTOGRAPHY [REDACTED]
